

**FREE WELL WATER TESTS, ARSENIC TESTS, WELL PLUGGING AND WELL RECONSTRUCTION MONEY AVAILABLE**

ADLM Counties Environmental Public Health is offering **free** well water and arsenic tests for anyone who has a private well in Appanoose, Davis, Lucas or Monroe Counties.

We also have **money** available to help plug a well, cistern or reconstruct a well.

It is recommended that well water be tested at least once a year. Testing also allows you to know the quality of the water that is in your well.
